

**119. Rules and Regulations for Participation in the Landowner Antlerless Deer Tag Program**

A. The following rules and regulations shall govern the Landowner Antlerless Deer Tag (LADT) Program:

1. Eligibility: The following landowners or lessees are eligible to participate in this program.

a. Licensed Deer Farmers authorized to hunt deer by Department of Agriculture and Forestry and Department of Wildlife and Fisheries (LDWF).

b. Landowners or lessees with less than 500 acres who have verified deer depredation problems and have met all of the requirements of LDWF as stated in the Nuisance Deer Management Program and who are dependent upon this commercial crop as a major source of income.

c. Landowners with 40 acres or more enrolled in the Louisiana Forest Stewardship Program and who have a written wildlife management plan on file with LDWF.

d. Landowners or lessees with 40 or more contiguous acres of forested or marsh land.

2. Application Procedure

a. Application for enrollment in the Landowner Antlerless Deer Tag Program must be submitted to the Regional Office, Deer Program personnel, or Forest Stewardship Program personnel of LDWF prior to September 1. The application will become an official agreement between the applicant and LDWF.

b. Each applicant will be assessed a \$25 administrative processing fee which must be paid prior to October 1. Applicant must identify the enrolled property on a Louisiana road atlas that will be kept on file in the Region Office.

c. By enrollment in this program the applicant agrees to allow LDWF personnel access to their land for management surveys, investigations of violations and other inspections deemed appropriate by the Department.

d. Boundaries of lands enrolled in the LADT program shall be clearly marked and posted with LADT or DMAP signs. Signs will be placed at 1000 foot intervals around the entire boundary of the property and at every point onto the property. Signs shall be removed if the land is no longer enrolled in the program. The color of the LADT sign shall be white, with the words LADT and Posted printed on the sign in letters no less than four inches. The minimum sign size is 11 1/4" x 11 1/4".

### 3. Tags

a. A fixed number of Landowner Antlerless Deer Tags will be provided by the department to each applicant that must be attached to each antlerless deer harvested during the regular deer season. These tags can be used only on the land for which they were issued and must be attached to all antlerless deer killed during the entire deer season including special either-sex days. Tag allotment for each applicant will be determined by Deer Program personnel.

b. The total harvest of antlerless deer is restricted to that number of antlerless deer for which tags were issued. Once the number of antlerless deer for which tags were issued have been killed, all deer hunting will then be for bucks-only, even though there may be either-sex days later in the season for the Area at large. No additional tags will be issued to the applicant.

c. Each hunter must have the Landowner Antlerless Deer Tag in his possession while hunting on the property for which the tag was issued and immediately upon kill of an antlerless deer, the hunter must tag the animal through the hock. The deer must be tagged before it is transported from the site of kill and the tag will remain with the deer while the hunter is in route to his domicile. The tag number will be recorded on the possession tag for the deer or any part(s) of the animal when divided and properly tagged among other individuals.

d. Antlerless deer harvested on property enrolled in LADT does not count in the season bag limit for hunters.

### 4. Records

a. Approved applicants will keep daily records for all deer harvested as required by LDWF personnel. This information along with any unused tags will be submitted to the Regional Office, the Deer Program, or Forest Stewardship Program personnel by March 1. Information will include: Date of kill; Name of hunter; Social Security number of hunter; Hunting license # of hunter, if applicable; Sex of animal; Landowner Antlerless Tag Number. Additional biological information from harvested deer may be required of some applicants for management purposes.

b. Approved applicants will provide documentation of harvested deer during the season to Department personnel upon request. Applicants will be given 48 hours to provide this requested information.

## 5. Cancellation of Program

a. Failure of the approved applicant or other persons permitted to hunt on this property to follow these rules and regulations may result in cancellation of the program.
